Transition of the Junior League of San Antonio

Community Partners

The Junior League of San Antonio supports over 60 other non-profit agencies annually by offering volunteers and necessary funding.

Our "San Antonio Works" projects provide a volunteer force of over 143 women, 3,317 service hours completed, that assist agencies such as the Leukemia Lymphoma Society, San Antonio Lighthouse for the Blind and Vision Impaired, Family Service Association and the Girl Scouts of Southwest Texas short-term (done-in-a-day) projects. The Junior League of San Antonio also works with children at Any Baby Can, Children's Bereavement Center, the Boys & Girls Club, Sunshine Cottage School for

Deaf Children and the University Health System Foundation providing educational and enrichment activities for children of all ages throughout the year. Other community projects include reaching out to residents in local nursing homes, working at the Fairweather Family Lodge teaching life skills, doing activities and craft projects while developing relationships with the resident mothers & their children.

The Junior League of San Antonio hosted the Rummage Sale fundraiser and community

service project for 93 years. This sale was a training ground for volunteers, raised substantial funds for Junior League of San Antonio community programs, and provided a necessary service to the community by offering affordable clothing and other necessities for San Antonio families. In 2008, the League transitioned the Rummage Sale to a partnership with Goodwill. This partnership will allow the community aspect of the Rummage Sale to continue for years to come.
